
Bryanna Bellard - Piano and Vocal Instructor

Bryanna Bellard's major passion in life is music. Whether performing as a vocalist or pianist, listening to music or guiding others to reach their artistic greatness, she wears her love for music on her sleeve. She graduated from St. Olaf College in Minneapolis, MN where she studied classical piano and voice and has been traveling ever since sharing and exploring in the musical world.

Music was first introduced to her at the age of 10 when she was approached by her grandmother and asked if she would like to take piano lessons. The next month she took her first lesson thus inspiring the true start of her love affair with music. Through her rigorous training and full dedication to the art she developed into the phenomenal musician here today. She started performing jazz and top 40's music at private and public events in 2003 and currently is in the midst of recording her full EP. She recently completed two trips to Shenzhen, China where she performed at weddings and the luxurious 5- star Langham Hotel. Bryanna has performed at the Stage Door and Duke Theater at the Blumenthal Performing Arts Center in Charlotte and plans to continue to share her love of music through performance. In the professional music world her fans know her as *Persona Bell*.

For 5 years Bryanna has been teaching private lessons in Charlotte and is excited to continue offering personalized instruction. Bryanna taught at Music Quarters for three years before she began her first trip to China in 2016. We are excited to have her back on our staff to teach piano and voice to our students!
